FRIDAY, AUGUST 11, 1933

Legion Post Is Out After Float Prize

Local Entry In Monday's Big Parade Of Legionnaires Will Be Striking

Symbolically representing the American Legion spirit of "Carry On," the Sierra Madre Legion post's float which is to be the city's entry in the gigantic convention parade in Pasadena next Monday, is now under construction. An expected crowd of half a million people will witness the procession of flowered vehicles that will start from Allen avenue and Colorado streets at 2 o'clock in the afternoon and proceed to the Civic Center, where the reviewing stands will be located, and local Legionnaires are intent on building a prize winning entry which the residents of the city will be proud of.

More than fifty floats, depicting varied phases of Legion activity, will parade before notables headed by Governor James Rolph, Jr. Floats will accompany the marching units of each post and their auxiliaries. The reviewing stand is being built on Holly street in front of the Pasadena city hall and will be flanked by two bleachers seating 2500 persons. Another grandstand is being erected at Colorado street and Michigan avenue, which will seat 500.

Luxuriant in its dress of red flowering eucalyptus blossoms, and trimmed in bright blue and yellow flowers, the float is being built on a platform 15 by 24 feet. Woven into the red flowered skirt encircling the float will be the Legion slogan, "Carry On." At the foremost end of the float is a group of mounds, surrounded by white crosses, representing graves of those soldiers who gave their lives in Flanders. At the opposite end is a small stage, raised six feet from the general level of the platform, and thereon is mounted the blue-jacketed figure of a navy man. Above, and directly behind the sailor, occupying the most prominent position on the float, is a golden sun, arising as a symbolism of hope, and brightly illuminated by a spotlight which plays on its surface from a base near the white crosses. On successively lower stages, flanking the blue-jacket, will stand a marine, a doughboy, a field nurse, Red Cross nurse, a personification of the Legion Auxiliary, and lastly two youngsters representative of the oncoming generation who must shoulder the Legion's burden in the future.

Although all of the representatives (Continued on Page Five)

Rec Stanberry Old Resident Passes Away

Rec. Stanberry, resident of Sierra Madre for over 20 years, died at his home, 108 North Baldwin avenue, on Monday night after a brief illness. Mr. Stanberry was born 77 years ago at Vinton, Iowa. He was for 37 years in the newspaper business and started and owned five newspapers in Iowa, all in Mason City—the Times, Herald, Globe, Gazette and Republican. They were later consolidated.

Every year for 12 years, prior to the death of his wife three years ago, Mr. and Mrs. Stanberry took long jaunts of 5,000 miles or more, exploring rivers and streams for fishing and camping, and finding pleasure in leisurely fashion for about four months of the year, keeping spring in the winter of their lives by close contact with nature. Mr. Stanberry was an expert with the rod and reel and an encyclopedia on the prolific pools and streams.

After traveling all over the West after retiring from business, Sierra Madre was chosen for their home because of its ideal climate, water, scenery and people. Their home on North Baldwin avenue was built shortly after they had selected this city for a permanent residence.

Mr. Stanberry is survived by a daughter, Mrs. Elizabeth J. Smith, of Wallace, Idaho; a sister, Mrs. W. E. Farman, of Sierra Madre; two brothers, Harry Stanberry, of Pasadena, and H. S. Stanberry, of Fort Dodge, Iowa, and a sister, Mrs. G. N. Elder, of Mason City. Funeral services were conducted by the Rev. William Duncan Ogg, at the Grant Funeral Parlors on Wednesday afternoon at 2:30 o'clock and interment took place at the Mountain View Mausoleum in Pasadena.

This Story Sure To Interest Mr. Ripley

Even Mr. Ripley's credulity might have been strained to learn of the latest in the list of Sierra Madre Believe-it-or-Not experiences.

Mrs. Fred LaLone, of West Highland avenue, opened an innocent appearing can of peaches the other day, but when she poured the contents into a dish there was a clatter instead of the expected splash.

Framed in a sticky peach half lay a woman's gold Waltham wrist watch.

Work Of Art Pupils Seen By Hundreds

Public Inspects "Old Barn" Studio At First Open House Of The League

Climaxing two months of progressive activity the Sierra Madre Municipal Art League played host to nearly 500 visitors Friday evening. Open house at the "Old Barn" studio on West Bonita avenue provided opportunity for the public to see for the first time the actual work which has been accomplished by the art students, and for the artist members of the various branches of the league to display their talents as entertainers.

Commencing at 8 o'clock a program of vocal and instrumental numbers, in the open air outside the Barn on Miss Lydia Webster's grounds, and a tour of the studios themselves made the evening full and interesting.

In order to fully impress on the visitors the progress that has been made by students, the studio walls were covered with sketches submitted at the time of enrollment in June as well as later studies done under the instruction of the civic minded teachers. Life drawings of many recognizable local folks are among the studies.

Out-of-town visitors and those who had not previously viewed the barn studios were generous with their praise of it, declaring amazement that such a project could have been brought to a reality without an initial outlay of funds, supported by the enthusiasm of the community, and the cooperation it has extended Mr. Hawxhurst, founder of the movement.

Of especial interest was an exhibit of Alfred James Dewey, noted local painter, comprising a model of the Sierra Madre mountains, cloud effects made with cotton, and cleverly illuminated. The model is in use as subject material for landscape art students.

Richard Knost, head of the music division of the Art League, arranged the musical portion of the evening's program. "Mrs. Rosalie Knost, known in her radio work as Rose Quigley, sang several light opera selections, while Larry Burke, popular radio artist from Los Angeles, favored with a tenor solo. A group of girl singers, known as the Sierra-naders, composed of Treva and Roberta Scott, Margaret Griebel, Cynthia Hull, Martha Fisher, Rena Quigley, and Virginia Roess, sang, and an orchestra organized by Gus Rihard played.

Punch and cookies furnished by the League were served by Mrs. Lydia Webster, Mrs. H. I. Hawxhurst and Mrs. Alfred J. Dewey assisted by a number of patrons and students acting as hostesses.

FORMER SECRETARY TO A PRESIDENT COMES HERE TO VISIT

Col. Elijah W. Halford, 90-year-old veteran Indianapolis newspaperman, his granddaughter, Mrs. Leland Stilwell, and Miss Andersen, of Hollywood, were visitors at the home of Miss Leah Fletcher, 634 West Highland avenue, on Wednesday. Col. Halford was private secretary to President Benjamin Harrison during his term of office.

People Must Unite To Put N. R. A. Over

Success Of Nation's Great Experiment Depends On Cooperation, Kiwanis Told

Laying down the law that employer, employee and consumer must have courage to uphold the President's recovery plan, and present a united front in the war against the "strategist depression," William O. Harris, one of the administration's foremost NRA representatives on the Pacific Coast, spoke before a large and intensely interested group of the city's business and professional men and women at the Kiwanis club luncheon Tuesday noon.

In telling of the main aims of the National Recovery Act, he made little attempt to deal with mechanics of the plan, concerning himself chiefly with the main principles. Emphatically stating that "Hunger breeds no patriotism," he set forth that the initial task of the government was to provide for the employment of American people, restoration of American buying power, and the manufacture of American goods.

"The efforts of the Nation's foremost economists, the chief business brains and industrial leaders toward renewed prosperity all failed," Mr. Harris pointed out, "because the one hundred percent cooperation of the American people was not behind those plans. . . . But," he said, "with the present dynamic figure of Roosevelt back of the Nation, the country has now mobilized into the greatest peace time army in history.

"The war being fought by this mobilization," he said, "is unlike any war in which the enemy was a foreign power, and in its wake it leaves not a path of destruction, not misery, but a rehabilitated people. . . ."

Harris lauded the unselfish spirit of the many employers who have already fallen in with the plan and signed the blanket agreement prior to the formation of the various industrial codes.

One concrete example of what has been accomplished by the (Continued on Page Four)

Modification Of Beer Law Petitioned

Council Asked To Allow Consumption Where Purchases Are Made

Petitions signed by 364 Sierra Madre voters asking for a modification of the ordinance regulating the sale of beer in Sierra Madre so as to permit consumption of a limited quantity on the premises where purchased was presented to the City Council on Wednesday evening by Arthur Johnson, III. Opposition to the proposal was voiced by J. O. Smith, former president of the city school board and on motion of W. J. Lawless the petitions were referred to a conference between the Council and City Business Manager Al S. Myers.

The petitioners asked that licensed dealers be allowed to sell not to exceed three pints of beer to an individual to be drunk where purchased.

In announcing his opposition to the proposal Mr. Smith indicated his belief that the Eighteenth amendment "will, unfortunately, shortly be repealed," and that dealers now licensed to sell beer would probably be licensed to sell hard liquor. Ammendments to the existing ordinance, he said, would open the way to sale of "liquor over the counter."

"That," said Mr. Smith, "would be most unfortunate in this community." Three months ago when the ordinance to permit the sale of beer here was before the Council he had appeared, Mr. Smith said, to oppose it and then predicted that demands similar to that contained in the petition would be forthcoming, though he said every assurance was given at the time that there was no thought of permitting beer to be consumed where sold. "I knew," he said, "that those who most wanted the ordinance at that time would want a mile if given an inch."

It is easy to get signers to a petition, Mr. Smith said, and many people did not even stop to inquire as to their purpose before affixing their signatures. He did not think 364 signatures in a city of 3500 population was convincing evidence that the public desired the proposed modification.

The petition set forth that the business public was practically unanimously in favor of the amendment asked and that much money that should be kept in circulation within the city is now going outside because of the restrictions contained in the existing ordinance.

New Schedule For Food Stores Here Creates More Jobs

The grocery stores and meat markets have gone on the schedule of business hours adopted by Pasadena, Glendale, Monrovia and other towns of the San Gabriel Valley. Beginning on Tuesday the stores opened at 8 a.m. instead of 9 o'clock and closed at 6 p.m. Tomorrow and every other Saturday they will close at 7 p.m. The schedule provides a 53-hour week for the business houses and a 40-hour week for the employees in conformity with General Johnson's interpretation of the NRA's purpose and will provide employment for several additional clerks.

Ordinance May Hold Up Water Lines

Opposition To Conduits In City Streets Develops In The Council

An ordinance that will probably have a lot to do with determining whether and under what conditions proposed water conduits of the City of Pasadena and of the Metropolitan Water District shall pass through Sierra Madre was finally adopted by the City Council at its meeting on Wednesday evening.

Pasadena has asked for permission to lay its proposed 36-inch main to carry water from Pine Canyon dam to its Sunset reservoir from end to end in Orange Grove avenue. The Metropolitan district filed an application to run Colorado river water through a conduit to be sunk in Highland avenue from the easterly to the westerly boundaries of the city.

The ordinance just adopted gives the street superintendent authority to alter plans submitted for any excavations on the highways within the city and to determine the manner in which streets shall be resurfaced after they have been torn up.

Engineers representing a Pasadena contracting firm who appeared before the Council for information on which they might bid on the resurfacing of Orange Grove avenue if permission is granted to lay the Pasadena conduit on that thoroughfare, developed the fact that some members of the Council believe Pasadena should lay its main south of the city boundary, through the Baldwin ranch and that they will vigorously oppose a permit to tear up the newly paved portion of Orange Grove avenue without an airtight agreement for a complete resurfacing of the street.

Also it developed that there is opposition in the Council to the laying of the metropolitan districts conduit through Highland avenue.

"It seems to me that by all means a right of way should have been asked through Grandview avenue and not through Highland," said Councilman W. J. Lawless.

The complete ordinance "prescribing the regulations under which permits shall be issued for the making of excavations and fills, and the performance of other work on public roads and highways within the city of Sierra Madre," will be found on page six of this issue of The News.

Newspaper People Buy Mountainside Home In This City

Mr. and Mrs. Robert Foote, of Pasadena, last week moved into their recently purchased home at 805 Skyland Drive, in the Marlborough Terrace section. The house is located on the Parmlee tract and the sale was effected through F. G. Huber, sales manager for the estate.

Mr. Foote is sports editor of the Pasadena Star-News, and his wife society editor of the same paper. Now neighbors of the artist, Alfred James Dewey, the Footes have expressed themselves as much pleased with their new home and with Sierra Madre generally.

Canyon Park And East Central Ave. Properties Sold

Mr. and Mrs. Edward Dixon, of Whittier, have bought and taken possession of the former home of Dr. Addie Pawson at 574 Brookside Lane in Canyon Park. The lot is 50 by approximately 200 feet. The deal was consummated through the office of Walter R. Carlton, broker. Dr. Pawson also recently sold her property at 105 East Central avenue to Mr. and Mrs. George Daley, of Pasadena, and is temporarily making her residence in Pasadena.

Future Plan Of Red Cross Is Outlined

State Representative Tells Local Directors Of The Work Ahead

In a comprehensive talk before the Board of Directors of the local Red Cross Chapter, Mrs. Esther Chadborne, State field representative of the National Red Cross, Wednesday afternoon told of the relationship existing between the relief organization and the new Federal Relief Administration. Although the Red Cross is not officially recognized as a unit for distribution of funds, she stated, in many cases there is an unofficial coordination between it and the Federal administration. Thus relief from the huge National fund may be applied through the agency of the local Red Cross chapter in a city with a well administered unit even though the Red Cross is not officially recognized as a branch.

Mrs. Chadborne was enthusiastic over the new machinery being set in motion to handle the transient problem. Branch Federal agencies are being established in such spots as Ontario, where due to the roundhouse an unusually large number of unemployed vagabonds congregate each year. At such agencies the men may apply for work. Their case histories, in brief, will be taken, and they will be given information as to what locality they should head for. Thus, in apricot picking season, a specified number of unemployed are sent to the orchard communities and the result is that a too great number doesn't crowd certain areas as is the case under the present "grape vine" system.

"Next season's roll call problem," she said, "will necessarily be a difficult one to solve. . . . Many will take the attitude that inasmuch as the Federal government is taking over some of the burden of relief there is nothing for the Red Cross to do. They do not realize that the Red Cross' activities extend further than relief work. . . . Now is the time (Continued on Page Two)

One Woman Art Exhibit Next Tuesday

Plan Reception For Noted Water Color Painter At The Little Gallery

A one-woman exhibit by Bessie Ella Hazen will be opened with a reception at the Little Gallery, Sierra Madre City Hall, Tuesday evening August 15 at 8 p.m.

For many years a teacher of watercolor painting at the University of California at Los Angeles, and a leader in art circles, Miss Hazen needs no introduction to Sierra Madre. Her water colors were enjoyed by many who saw them at the local school and Little Gallery last spring. She is Vice-President of the California Water Color Society, Past President of The Women Painters of the West and has served on important art juries. She brings at this time an exhibition of water colors and wood blocks. Every one is invited to attend this opening reception.

Patrons and patronesses for the reception include Mr. and Mrs. Al S. Myers, Mayor and Mrs. H. C. Reavis, Mr. and Mrs. W. E. Pratt, Mr. and Mrs. Francis Eakman, Mrs. M. R. Englander, Dean and Mrs. Arnold Bode, Mrs. J. Borradaile, Miss Ella Shepard Bush, Miss Ruth Ann Younglove and Miss Margaret Griebel.

Pastor Occupies Old Pulpit After 20 Years Absence

Rev. W. H. Hannaford will occupy the pulpit of the Congregational Church on Sunday to deliver a regular sermon in Sierra Madre for the first time in 20 years. During Rev. A. O. Pritchard's vacation, Rev. Mr. Hannaford has introduced the guest pastors for the past two weeks, but this week's sermon will be his first since he was the Congregational pastor prior to 1913.

After leaving his Sierra Madre home Mr. Hannaford preached in countless communities in Southern California, until a year ago when he retired and came back to this city. This time he plans to stay, his permanent residence being at 139 West Montecito avenue.

City In Demand For Lower Inter-City Telephone Rates

Sierra Madre will be represented at a meeting of representatives of towns in the San Fernando and San Gabriel valleys in Glendale on Wednesday evening when plans will be made to argue the demand upon the Southern California Telephone Co., for lower inter-city telephone rates at a hearing fixed by the State Railroad Commission for September 6.

A communication from a committee representing the affected cities urging that Sierra Madre be represented both at the Glendale meeting and the hearing was received by the City Council on Wednesday and it delegated City Business Manager Al Myers to attend and lend the city's weight to the plan for lower inter-city tolls. Application for the reduction was filed several months ago, with Glendale leading the way.

Players To Join With Art League

Taking another step in the direction of an ultimate correlation of all the arts in Sierra Madre, the Municipal Art League last night made known that the Community Players would soon combine their activities with those of the music and painting fields already quartered in the "Old Barn" studios on West Bonita avenue.

Mrs. Pearl Virginia Steinberger, head of the Players organization and president of the local Woman's Club, conferred with Harry Ivins Hawxhurst, founder of the League, and members of the Board of Governors, after art classes last night and in the near future the Board of Directors of the Players will meet to vote on the question of the incorporation. It is understood that such an act will not destroy the identity nor the purpose of the little theatre organization, but will instead strengthen it by association and cooperation with the allied arts here.

N.R.A. Drive To Be Mapped Here Today

Today at noon representatives from all of Sierra Madre's business houses and various branches of the citizenry, will meet at a luncheon at the Casa Vieja tea room on East Montecito avenue for the purpose of throwing the entire weight of the city back of the NRA program.

Called by President Billheimer of the Chamber of Commerce, the meeting will discuss and formulate plans for the formation of a central committee which will act as a clearing house for all NRA information, and will work toward an immediate and complete victory for the Blue Eagle.

It is planned to follow the suggestion of W. O. Harris, the representative of the NRA administration who addressed the Kiwanis Club Tuesday noon, and form the central committee from men and women members of all the city's civic and service clubs as well as from the large group of employers, employees and consumers. Kiwanis, Chamber of Commerce, Merchants' Association, city officials, Legion and Auxiliary, Woman's Club and others all will be represented.

An effort will be made to interest and arouse local consumers to importance of the NRA movement and to have them pledge their support to the drive on unemployment.

The consumer is really the important figure in the campaign. It is to him or her, through public sentiment, that the President counts upon to see that employers and businessmen adopt the policies and carry through the program called for by the NRA.

NRA insignia with the blue eagle similar to that displayed by business houses and manufacturers is available to the consumers and they will be asked to show their sympathy with the movement by applying for and displaying them. Stickers have been distributed among the local merchants by Postmaster Wright, together with blank forms of application sent from Washington. To secure the stickers the consumer merely signs an application blank asserting he or she is in sympathy with the movement and will help to put it across.

A large number of the stickers have already been distributed.

New Tax Law Permit Form Has Arrived

Letter To Merchants Silent On Manner Of Collecting The Sales Levy

Applications for permits to "engage in business as a retailer" under the new California retail sales tax law arrived in Sierra Madre yesterday and are being distributed by Secretary R. C. Copenhaver of the local Chamber of Commerce from the offices of the Southern California Edison company. Accompanying them is a letter intended for "every person, firm, partnership or corporation engaged in the business of selling tangible personal property at 'retail'" and informing them that their gross receipts are subject to a State tax of 21-2 per cent.

The letter stresses the importance of filing applications accompanied by the annual \$1 license fee with the State Board of Equalization before August 30 under "serious penalties" and gives notice that the gross receipts of all retailers will be taxable beginning August 1, when the sales tax law became effective.

Thomas H. Van Norman, agent of the Board of Equalization, brought the blank applications and letters here. He did not, however, have any official rules issued by the board and was unable to give information about the issuance of stamps proposed to be used in denominations of one eighth of a cent each to simplify payment of the tax.

The law requires that accurate records must be kept by all retailers, subject to check by agents of the State and many business houses have attempted to simplify their duties as tax collectors by merely adding the amount of the tax to the price of their merchandise. Unless there is a prohibition against this practice in rules later to be laid down by the State board when tax stamps are issued it is the general impression that this policy will be quite generally followed.

County school officials this week expressed the fear that the sales tax will not raise sufficient funds to meet the added responsibility placed on the State by the transfer of district school tax to the State government.

Council To Make Budget Wednesday

Further Cut In Valuations Here Follow Appeals From Assessments

A special meeting of the City Council will be held next Wednesday evening for consideration and possibly adoption of the municipal budget for the current year. Final official figures of the city's assessable valuation were promised the Council today as a basis for its calculations in arriving at the municipal tax rate.

Unofficially it was stated that approximately \$44,000 had been lopped off the valuations fixed by County Assessor Hopkins as a result of appeals filed with the County Supervisors sitting as a board of equalization, and that the total reduction in assessable valuations would approximate almost twenty per cent.

Practically the entire Council is said to be opposed to any increase in the tax levy for city purposes notwithstanding the reduction in tax income that must follow the drastic cut in valuations. The reduction of twenty per cent would mean a shrinkage of about \$8,000 in the amount available for city purposes with the tax levy of \$2.40 that was laid for the fiscal year ending on June 30.

The total amount allotted for purely city activities last year was \$28,000. The problem before the budget makers is to carry on with the reduced income without injury to the police and fire service, street lighting or curtailment or discontinuance of garbage and rubbish removal.

The various city departments were directed to submit estimates of the lowest possible cost at which they can be operated and the estimates will probably be considerably sliced by the Council, with the probability of further salary reductions.

County officials predicted yesterday that the tax rate for county purposes would probably be boosted from 88 cents, the rate of the past two years, to \$1 or slightly more per \$100 of assessed valuation. The effect would be an increase in the demand upon the taxpayers notwithstanding a 20 per cent decrease in assessed valuations. Officials charge necessity for the anticipated increase to requirements of the ever growing charity load due to unemployment. The old 88 cent rate, it is announced, would fall about \$17,000.00 short of yielding the amount necessary to carry the county through the year.

TAX MONEY ALL COMES FROM THE SAME PLACE

There is a rather curious attitude abroad now in the kingdom of politics. Members of the political courts admit that the trend of legislation in all forms of government is toward higher taxes—but insist that these additional moneys will be taken care of by new sources of revenue.

The potential tax on liquor is a good example of this. At this writing 20 states have ratified repeal, and none have turned it down. And at Washington and in two score state capitals, public men chirp gleefully to the effect that a liquor tax will produce millions in revenue, and make possible more bond issues, more governmental ventures into strange and attractive realms.

Apparently no one in public office has taken the trouble to point out that there is only so much money in the country. It can buy only so much—it can pay only so much in taxes. A new tax, whether on liquor or on anything else, doesn't create more National income. It simply takes its money from a different place—which leaves less money in another place.

Tax juggling has been the curse of modern governmental economy. It's the old dodge of spending out of the citizen's right-hand pocket instead of his left. For ten years we have listened to speeches on tax reduction and have permitted the National expense account to soar. And it's time we remembered a fact of the utmost simplicity—the only way lower taxes can be had is for government to spend less money.

BROTHER OF WELL KNOWN LOCAL WOMAN DIES IN EAST

The sad news has been received by Mrs. George M. Lehner, of 550 West Central avenue, of the passing of her brother, Myron R. Boardman, at his home in Rushville, N.Y. Mr. Boardman suffered a heart attack on Monday and died almost immediately.

Everett and Joe Hinojos, of Grove street, enjoyed Sunday at Long Beach.

Mr. and Mrs. Roland Adams, of 40 North Hermosa avenue, have returned from a vacation at Yosemite National Park.

Mrs. John W. Tyree, of South Hermosa avenue, is visiting in San Diego this week.

John Pinney, of 149 North Mt. Trail avenue, is vacationing for two weeks in San Diego.

Mr. and Mrs. C. A. Greese, of 549 West Montecito avenue, are vacationing at Redondo Beach.

Mr. and Mrs. W. B. Pyle have moved from 171 East Grand View avenue to 162 Santa Anita court.

Mrs. Agnes Leighton, of 123 East Central avenue, is in Laguna Beach for a short vacation.

Mrs. H. B. Hersey and nephew, Gale Little, of 575 North Hermosa avenue, enjoyed last week at Alamitos Bay.

The Hull family, of 540 West Montecito avenue, returned home from a vacation at Corona Del Mar on Friday.

Kenneth Croan, of 111 North Sunnyside avenue, returned Saturday night from the militia camp at San Luis Obispo.

Mr. and Mrs. John Spoelstra and family, of North Lima street, visited Mr. and Mrs. Earl House, at Upland, on Sunday.

Rudolph R. Hartman, of the Hartman Drug Company, has been suffering this week from a severe attack of tonsillitis.

Miss Irene Middough and Miss Jane Holland have returned from a week's vacation at Catalina Island with enviable coats of tan.

Mrs. Jimmie Fallon and Mrs. George Allen, of Los Angeles, called on Mrs. H. G. Wagner, of 75 Esperanza avenue, last week.

Art Udell, who is working as one of the officials at a Reformation Camp, spent the weekend with his family in Sierra Madre.

Miss Dorothy Moote, of 689 West Central avenue, left on Wednesday to be the house guest of Miss Anne McGuffin, of Westwood.

Miss Louise Judson, of the Sierra Madre Red Cross, with Pasadena friends enjoyed the last day of the Spanish fiesta at Santa Barbara.

Miss Gladys Dieterly, of the Door of Hope, Shanghai, China, was missionary speaker at the Woman's Missionary Society of Bethany Church, on Tuesday.

Mrs. M. G. Bromley, of South Pasadena, was a weekend guest of Mr. and Mrs. George P. Rikeman, of 29 West Orange Grove avenue. Mrs. Bromley operates a gift shop in South Pasadena.

Mrs. Lawrence W. McCarron and two children, Mary Jo, and Larry, left for their home in Tucson, Ariz., after spending six weeks with Mrs. McCarron's parents, Mr. and Mrs. Peter Rana-han, 119 Auburn avenue, and her mother-in-law, Mrs. W. S. McCarron, of 88 Auburn avenue.

Mr. and Mrs. Andrew Wolfe, and small daughter, Barbara Lee,

of Los Angeles, were Sunday dinner guests of the Flemings, 32 North Baldwin avenue.

Weekend guests of Mr. and Mrs. W. W. Pope, of 686 Brookside Lane, were T. M. Pogue, of Los Angeles, and Mr. and Mrs. O. B. Andrews and family, of Alhambra.

Mr. and Mrs. Harry Peat and Mr. and Mrs. Roy Peat, of Huntington Park, were guests of Mr. and Mrs. Vincent Fleming, of North Baldwin avenue, on Saturday evening.

Mrs. Fred Griebenow, of 10 East Mira Monte avenue, was weekend guest of Leta Horlocker, State art chairman of Federated Woman's Clubs, at the Horlocker cabin at Fern Lodge.

Mr. and Mrs. Powell Cassidy and children, Donald and Diana, of San Francisco, will arrive on Sunday for a 10-day visit with Mrs. Cassidy's mother, Mrs. Eva D. Moore, 71 Victoria Lane.

Dr. Marie A. Everett, of 153 Santa Anita Court, spent the weekend with her nephew and niece, Mr. and Mrs. Louis W. Speck, of View Park, Los Angeles. Sunday was enjoyed at Santa Monica.

Mr. and Mrs. Harlan Gerlach and Mrs. C. Roe spent last week in the High Sierras, camping for sometime at Silver Lake and Lake Tahoe. Mr. Gerlach is vacationing this week at San Clemente.

Mr. and Mrs. Harry Barrington, of 258 Mariposa avenue, are visiting in Toronto, Ontario. They plan to leave the east next Wednesday for Sierra Madre by automobile. They have been gone two months.

H. L. Woodruff, North Baldwin avenue jeweler, attended a meeting of the San Gabriel Valley Jewelers' Association on Tuesday evening at the Pasadena Athletic Club where recommendations for a jeweler's NRA code were discussed.

Mrs. Ruth Freney and family, of Phoenix, Ariz., who have been visiting the C. D. Croan family, of 111 North Sunnyside avenue, are vacationing at the beach and will return to Sierra Madre for another visit soon.

Mrs. M. R. Englander, of Auburn avenue, attended a luncheon, musical and bridge last week at the Grand Hotel, Santa Monica, given for the committee and board of the Hollywood Bowl Association.

Mrs. Leila B. Gregory, of Westmoreland, in the Imperial Valley, spent last week with her sister, Mrs. Bertha B. Miller, of 439 Mariposa avenue. Mrs. Gregory is spending this week with her son, Niel B. Gregory, in Alhambra.

Thatcher Jordan, of the radio department of the Sierra Madre Furniture company, and scout master of a Monrovia Boy Scout group, is enjoying a vacation at Catalina Island. He is spending his time at the Cherry Valley Scout camp.

Mrs. E. Monroe Manus and small son William, and daughter Mary, of Phoenix, Ariz., are spending a month in Sierra Madre at the home of Mrs. Bertha B. Miller, 439 Mariposa avenue. Mrs. Manus will be remembered as Miss Beulah Carpenter.

Miss Dorothy H. McLaughlin, of Portland, Oregon, spent last week with Miss Sue Brobst, of 618 West Highland avenue. She returned to Los Angeles for a short visit with her grandmother before leaving for her home. She is to stop over in San Francisco enroute.

Norman Hernandez, son of Mrs. Eva Hernandez, of 154 West Central avenue, underwent an operation for an infected foot at St. Vincent's Hospital, Los Angeles, on Saturday morning. He was taken to the hospital on Friday. The operation was performed by Dr. J. Earl Gossard.

Mr. and Mrs. J. C. Dickson, of 169 West Montecito avenue, attended a piano recital last week in Alhambra. Their grandson, Clifford LeGuinn, and granddaughter, Mildred LeGuinn, took part in the program, which was given at the home of Mrs. Hudson.

A civilized nation is one that is horrified by other civilized nations.

Future Plan Of Red Cross Is Outlined To Directors Here

(Continued from Page One)
to take advantage of the many other things that may be accomplished—life saving, home economies, diet advice, and so forth. In the specific case of Sierra Madre Mrs. Chadborne pointed out that the emergency hospital closet should be used every day in the year. She forwarded the idea of extending free medical aid to rich and poor alike.

Much praise was given the Junior Red Cross as an agency for fostering citizenship among the youngsters, who, of a necessity, receiving charitable aid, might without some educational help, become drones in later life. She spoke highly of Miss Elizabeth Steinberger, principal of the local school and head of the Junior relief work here.

"Not the least in the list of activities," she continued, "is that of budget advisor. Many poor families have learned to make their small funds feed them properly and healthfully after a series of consultations with food experts in pay of the Red Cross."

Touching on the service extended in the way of teaching young mothers how to bath their babies, Mrs. Chadborne said: "Happening to be the mother of three children myself, I always presumed to be quite competent on the subject. I went to the first lecture and demonstration with a feeling of superiority—and more or less in the spirit that I was performing a Red Cross duty. But I came away actually sorry for my own children—for the manner in which they had been bathed."

RECEPTION PLANNED FOR CHURCH CHOIR

Invitations have been extended by Mrs. Fred Hooker Jones to members of the adult choir of the First Congregational church and their friends to attend a musical reception at her home, 139 West Orange Grove avenue, next Thursday evening, at 8 o'clock. Assisting Mrs. Jones will be Mrs. Myrtle Hill, Mr. and Mrs. E. E. Bacon, Mr. and Mrs. Jack Buchanan and Mrs. Tom Tyler, Mrs. R. A. Pratt and Mrs. Milford Thompson.

GIRLS HIKE STURTEVANT TRAIL FOR A PICNIC LUNCHEON

Misses Dorothy and Kathleen Moote, of 689 West Central avenue, with Miss Anne McGuffin, of Westwood; Miss Madeline Koenig, of Pacific Palisades; Miss Ruth Pittenger, of Ontario, Miss Geneva Johns, of Glendale, and Miss Mildred Humphrey, of Pasadena, hiked up Sturtevant Trail on Tuesday evening. A picnic dinner was enjoyed.

"THE MAYOR OF HELL" AT ARCADIA THEATRE

Commencing an exceptional week of screen entertainment Dean's Arcadia Theatre tonight presents James Cagney in his latest thriller, "The Mayor of Hell." This picture, the tale of reform school life and crooked politics, is augmented by the best in short subjects, and a Paramount sound newsreel. The program continues tomorrow.

Lee Tracy, champion wisecrack artist and screen newspaperman, holds the center of interest Sunday and Monday, August 13 and 14, in his latest laugh epic, "The Nuisance." No less appealing is the comedy riot "Twice Two," starring the team of Laurel and Hardy. A cartoon is also on the bill.

Tuesday and Wednesday, August 15 and 16, the most polished and amusing comedy of the year is scheduled. "When Ladies Meet" brings to the screen Alice Brady, who on the strength of her work in this picture has been assigned the lead in "The Vinegar Tree." Coming Thursday is "Pickup," with Sylvia Sydney and George Raft in stellar roles.

COLORADO THEATRE OFFERS BIG VARIETY

"Diplomaniacs," starring the movieland's most popular laugh team, Bert Wheeler and Robert Woolsey, opens at Bard's Colorado Theatre in Pasadena tonight and continues Saturday, August 12.

Sunday, Monday and Tuesday, August 13, 14 and 15, the greatest of all screen fantasies, "King Kong," makes its initial Pasadena appearance. Featuring Fay Wray, Robert Armstrong and Bruce Cabot, this film tells the stirring tale of how a mad director starts out on a seemingly absurd voyage in search of a hidden island that he may "scoop" Hollywood with a super adventure tale and of his marvelous success.

"Sing Sinner Sing," with Paul Lukas and Leila Hyams, comes to the Colorado Wednesday. Five acts of headline vaudeville are featured in every night's show, and a free auto park is provided for patrons.

In A Social Way

A VERY beautiful and impressive ceremony on Saturday at noon united in marriage Miss Sarah Preston Schwartz, daughter of Mr. and Mrs. Preston Schwartz, of 287 East Montecito avenue, and Laurence Eustace Lefevre, son of Mr. and Mrs. William Lefevre, of Shipway, Torquay, South Devon, England. The wedding was solemnized at the First Congregational Church with Rev. Charles Spaulding, the bride's uncle, rector of the Episcopal Church of Coronado, officiating.

The bride, given in marriage by her father, was gowning in a white silk net frock with chiffon trimming and a long net veil fastened with orange blossoms. She carried white roses and lilies of the valley. Attending her as maid of honor was Miss Helen Luscomb, of San Diego, college chum.

Gwyn Williams, of Cambridge, England, fellow research student

CHURCH NOTICES

Prayer Meeting.

of the bridegroom at California Institute of Technology, served as best man, and Charles Schwartz and Sam Schwartz, brothers of the bride, and Preston Schwartz, the bride's twin, were ushers.

James H. Shearer, musical director at Pasadena Presbyterian Church, played the wedding marches and accompanied Grace Walker of the Pasadena Presbyterian Church choir, who sang "Beloved It is Morn."

After the ceremony a reception was held at the home of the bride's parents.

The bride is a graduate of Pasadena Junior College, where she was a member of the Aeolian club, and of the University of California at Los Angeles, where she was a member of Kappa Alpha Theta. She has done graduate work and taught physical education at Scripps College.

Mr. Lefevre is a graduate of Oxford University, England, and for the past two years has been a Commonwealth Fund Fellow in astronomy, doing research work at Mount Wilson Observatory. He will be master of mathematics at Eton College, England's oldest school for boys.

Mr. and Mrs. Lefevre sailed on Saturday by way of the Panama Canal for England, where they will arrive August 29. They will be at home in Windsor after January 1934.

Celebrating the birthdays of Mrs. H. B. Hersey and Mrs. W. J. Miller, a surprise birthday luncheon was given by a group of their friends on Monday at La Casa Vieja Tea Room. Bridge was enjoyed in the afternoon at the home of Mrs. Fred Hooker Jones, 139 West Orange Grove avenue. Those present were the honor guests, Mrs. Hersey and Mrs. Miller; Mrs. F. H. Hartman, Miss Edna R. Green, Mrs. R. S. Corlett, Mrs. F. H. Jones, Mrs. W. S. Hull, Mrs. Catherine Thompson, Mrs. E. D. Burbank, Mrs. E. E. Bacon, Mrs. Harry D. Pyle and Mrs. C. W. Jones.

Mr. and Mrs. Pruet Beaty, of Long Beach, were Sunday dinner guests of Mr. and Mrs. E. D. Robertson, of 43 West Laurel avenue.

Mr. and Mrs. Frank U. Smith, of 71 North Lima street, entertained with a duck dinner on Sunday. Guests included Mr. and Mrs. William S. Stark and three sons, of Glendale.

Mr. and Mrs. E. D. Robertson, of 43 West Laurel avenue, entertained at dinner on Monday evening. Guests included Mme. Emily Lindsey and Harry Roberts of Hollywood, and Mr. and Mrs. Jay Arbogast, of Los Angeles.

Mrs. R. S. Jensen, of 561 West Grand View avenue, entertained at luncheon on Tuesday. Guests included Miss Gladys Dieterly, of Shanghai, China; Mrs. Mary H. Graves, of La Canada, and Mrs. Adah W. Stacey, of Santa Barbara.

An informal party, honoring their house guest, Miss Jean Strick, of Palo Alto, was given on Tuesday evening by Misses Dorothy and Helen Gossard at their home, 354 North Canon avenue. Guests included Miss Barbara Wilson, Miss Dorothy Biddle and Miss Doris Smith, of Pasadena; Miss Ethel Barto and Miss Phyllis Barto, of Alhambra; Richard Carol, James Gritt, Wayne Wilson, Curtis Dobb, Charles Hull, Alfred Anderson, Samuel Merrill and Donald Millikan.

Misses Lucy and Lillian Blood and Mrs. Grace Sparks were dinner guests of Mrs. James Copeland at 323 West Highland avenue Sunday afternoon.

Mr. and Mrs. Larry Burke of Los Angeles were house guests

of the Richard Knotts on Church Hill Road this week.

Alexander W. Miller, son of Mr. and Mrs. W. J. Miller of 67 West Highland avenue, and Mrs. Erva Neal Curtiss, daughter of Mr. and Mrs. James Neal, of Riverside, were united in marriage by Rev. W. H. Hannaford at the First Congregational Church on Sunday, August 6, at 4 p.m. Only the immediate members of both families were present.

A surprise miscellaneous shower and luncheon, honoring Miss Margaret Moote, was given on Saturday by Miss Louise MacPhie, at her home in Highland Park. A mock wedding was a feature of the afternoon. Miss Roberta Scott was bridegroom and Miss Marian Wright, the bride, with Mrs. R. S. Jensen officiating as minister. Mrs. Stewart R. Sheriff served as flower girl. Those present were Mrs. Stewart R. Sheriff, Mrs. Martha Rust, Mrs. J. M. Moote, Mrs. R. S. Jensen, Mrs. D. R. Moote, Mrs. J. O. Smith, Miss Mary Sheriff, Miss Virginia Roess, Miss Dorothy Moote, Miss Roberta Scott, Miss Kathleen Moote, Miss Treva Scott, the honor guest, Miss Margaret Moote, of Sierra Madre; Mrs. Alvin Finn, of Upland; Mrs. Ilden Webster and Miss Grace Dains, of Los Angeles, and Miss Marian Wright, of Torrance.

DESSERT MUSICAL AT THE PRATT HOME
Something different in the way of entertainment, a dessert musical, will be held at the beautiful home of Mrs. R. A. Pratt, 236 Sturtevant road, on Thursday evening, August 24. A light dessert will be served at 7:15, followed by a musical program. The affair is sponsored by the Senior Young People of the Congregational church. The public is cordially invited.

Home Loans Office Gives Owners A Tip

Many Intending Borrowers Must First Consult Holders Of Mortgages

Although the branch Home Loan office at 320 East Union avenue in Pasadena is the official office designated to care for Sierra Madre loan seekers, it is stated by Home Loan Corporation heads that only persons whose mortgages are held by individuals should apply for information and application blanks there. All persons whose mortgages are held by banks, mortgage companies, insurance companies, or building and loan association should go to the holder of the mortgage as they have all been provided with application blanks and will give full information. In many cases such institutions will be prepared to attach at once the required consent of the lender for the exchange of the mortgage for a government bond.

Open daily from 9 a.m. to 5 p.m., the Pasadena office is anxious that only those home owners who are in immediate distress should come at this time. In the present emergency the wish of the government is to aid those in danger of losing their homes through foreclosure, and those applying for the loan to lighten their interest burden should wait until the more urgent cases are given attention.

The corporation may make a loan only to a home owner on his permanent home, whose value does not exceed \$20,000, and the loan cannot exceed \$14,000. With an interest rate of five percent the loan may not exceed 80 percent of the value of the home, and the borrower may repay in monthly or longer term installments over a period not to exceed 15 years. The public is warned not to pay anyone for application blanks or for alleged assistance in securing loans.

Long waiting lines stood before the Pasadena and Los Angeles offices when they opened on Monday and they have been thronged all week, many of the applicants for loans or information discovering after hours of waiting that they must first go to the holders of their mortgages.

Local Sport Paragraphs

By John Copeland

AS the pennant-bound Legion team plays out of town tonight the All-Stars take the spotlight on the diamond here. The game, with the Monrovia A. S., is the playoff of a rubber in which both outfits have copped one go. Suggested as a dandy tag for all night ball players in Sierra Madre: The Shadow Waltzers... Catch, catch?

Bob Chavis, erstwhile local tennis and bridge player, who now lives in Los Angeles and objects to people who address his mail to Echo Park, is getting out a monthly mag called Tennis Topics. Louis de S. Fuller is in charge of editorials and contributes special articles, and other locals shoot in sport news now and then. While still in an embryonic stage the sheet has possibilities of breaking in on what is practically a new field in Southern California. Space is devoted not only to Los Angeles tennis news, but to State-wide stuff. Inasmuch as California furnishes about fifty percent of the world's top-notch players, Bob has chances of putting over something darn big if he goes at it right.

Petitions being circulated in behalf of resurfacing the city tennis courts are rapidly assuming proportions which make prospects good for the number of players and spectators. The purchase of new nets, replacing the ragged worn ones, this week brought relief also. For awhile there it was hard to decide which was in worse condition, the nets or the surface of the courts. To those who might object to signing the petition for repairing the courts

Fire Flames

By one of the boys

THIS IS the night we gather at the fire station for practice and meeting. With the appearance of our new member in the person of Harry Scott, we can expect something different. Harry is well known about town for his charming manners and pleasing smile, and for his knowledge of how to get the best from laying hens. Of late he has become quite a chicken fancier (white leghorns, not the kind you think). He accidentally twisted his anatomy into such a position that four of five of his ribs clicked when he slipped in his chicken yard recently. He moves about painfully and sits down and arises very cautiously. However, when he is through riding the goat tonight, he will be generally better.

A number of the local firemen attended the dinner and meeting of the Angeles Protective Association at the Wistaria Grounds last Tuesday. The dinner was served by the ladies of our fire department and the visitors were more than pleased, as well as to the home boys. It was the sort of meal that sticks to the ribs—good old steak and potatoes. A large number of men from other towns were present and they all claim that they enjoy coming to Sierra Madre for their meetings. We miss our robust absentee, Don Hosford, who has been away for several weeks. Each week we look forward to seeing him again at the meetings, but he must be on a real hide-out, for no one seems to know how he is or what he is doing. A nice long letter from him would be welcome at the fire station.

No person seems to be complaining of the heat during the past week or so. If reports from the east are true, we are lucky folks. However, cool weather does not eliminate the fire hazard and we urge again the importance of being unusually careful when burning rubbish.

on the ground that such a project would take money from the taxpayers' pocket and shoot it into a benefit for a small minority of residents, may we suggest that the petition doesn't ask for any luxury—the courts at present are absolutely unplayable in the strict sense of the word.

As there was no hesitation in rightly improving the school playgrounds, so should there be no hesitation in improving the public park playground.

Posies to Pratt for tossing a one-hit game last Friday, against Baldwin Park. The lone hit came in the ninth at that. In two previous Legion League games he allowed only four hits.

Last few weeks some of the baseball games of lesser magnitude have been overshadowed somewhat by the impromptu bicycle races staged around back of the bleachers in the disused tennis courts. The lads dash about, circling the net, skimming in between net posts and other sundry obstacles, and every once in awhile there is an attempted pass. Several crackups per evening result.

And there's the gag about the boy that won the Olympic high jump event almost immediately after he had backed into a javelin.

Soon tennis players from all over the globe will be in Los Angeles to compete for the Pacific Southwest crown. Unless Mrs. Moody is in—and perhaps even if she is in, we have a hunch that diminutive Miss Palfrey is going places in a large manner.

With Jack Crawford out it's possible that Southern California fans will be afforded the treat of witnessing Vines and Austin at it again... With Austin decidedly on the short end of the betting, although we personally are exceptionally prejudiced in the English player's favor. His tennis form and his sportsmanship very closely approximate our opinion of what a champion sportsman in any realm should possess in ultimate degree.

Now once upon a time there was a pretty good football player over at Pasadena Junior Collich. Oh he went around making flashy touchdowns and calling the right numbers at the right time and all that sort of thing. And now what do you suppose has happened?

Red Grange and several of his prototypes took to carrying ice of summer times as a guarantee against overly ripe waist lines, and in the interest of biceps, triceps and other accessories of the gridiron.

But this guy, Jack Young! What you think? He has a job over in Hollywood. Yeh, tha's right. Of all places, yeh. Well, he guides people through MGM studios and points out places of interest, like this for interest "To your right you see the chair that Marlene Dietrich made famous. It was on that very chair she hoisted her foot and sang "Can't Help It," thus displaying for the first time to America her famous kneecaps. Yousa." Well we do hope he gets his transfer to the art department before he's completely ruined into a Casanova or something.

Perch have been running good in the stream back of the dam in Santa Anita, they tell us...

Booklet Boosts Sierra Madre As An Ideal Home Place

Secretary R. C. Copenhagen of the Sierra Madre Chamber of Commerce has received from the county a large number of booklets entitled "Los Angeles County, California, Sierra Madre Edition," profusely illustrated, with beautiful art cover, and intended for distribution by the local chamber to prospective residents here.

This is a lithographed booklet in which Sierra Madre is given a section to tell the story of this community as a place for ideal residence. And the story is well told.

The booklet was compiled by the Los Angeles Chamber of Commerce and to all intents and purposes serves as a fine piece of literature for Sierra Madre. It comes to this city from the county without cost, according to Secretary Copenhagen, as a part of the work financed by the county fund for exploitation.

A. L. A. Activities

By Dorothy Shetler

DELEGATES Maybelle Barker, Leila Embree and Lucile Pickett had a taste of convention proceedings at the 4th Area meeting in Los Angeles last week. About twenty-five resolutions came up for discussion. Yours Truly's personal idea is that if those ladies can get half of the whereas's and therefore's in right order and know after they have voted whether they voted pro or con, they are a better man than I am, Gunga Din! If anyone craves to be a delegate, they don't know what they are up against, unless they can write shorthand or have an infallible memory. After the tenth resolution, this particular person had chewed up two pencils, swallowed her gum, lost her hat, and didn't know where she had written just what she had got through hearing.

Last Wednesday night some of the bunch traveled over to Alhambra to watch the Installation ceremony over there. In the party were Helen Lovejoy, Kitty Miller, Leila Embree and D. Shetler, who were all glad that they had gone.

Did you know there had been a new arrival up at the home of the Embrees?

And did you know that two local ladies are going to be on the Legion float from Sierra Madre? Leila Roberts will represent the Red Cross nurse, and Bertha Irvine will personify the Auxiliary.

Any townspeople having sturdy flowers, of red, blue or shades of yellow or orange can aid the Legion boys a heap, by phoning Pickett's Service Station and someone will come and pick the blossoms, either Saturday, Sunday or Monday morning.

Another favor asked by the A.L.A. is that any of its members that can spare a few hours on any of the above mentioned days to come and help with the finishing touches.

The Legion invited the Auxiliary and a number of Legion friends to their open meeting on Monday night. The boys had a very interesting assembly. Colonel Hersey's speech of welcome was just what we like to hear.

President Moon brought three A.L.A. members from Baldwin Park for a surprise visit, and then received a surprise when she was requested to be seated on the rostrum beside the

First Unit Of New Park System To Be Opened Tomorrow

The first unit in the county regional Planning Commission's chain of parks and parkways to border the rivers in the San Gabriel Valley from the mountains to the sea, will be formally opened to the public in Whittier tomorrow (Saturday) afternoon.

To be known as Whittier Woodland Park, the playground contains 40 acres of wooded land and is located in the Puente Hills, two miles west of Whittier. A flowing stream traverses the park, and a lake with branching lagoons is stocked with fish. Tables, benches and grills have been provided for picnickers, and Saturday guests from neighboring towns will be entertained by a varied program. In the evening a barbecue will be served by the Kiwanis Club. Games for children will commence at 10 a.m.

Commander and called upon for a speech.

President Barker also was seated at the Commander's right hand, and was given a chance to orate. One other A.L.A. member, also a Legionnaire or should we say Legionnairette, Augusta Coats, was called on for remarks.

Moving pictures were shown by the courtesy of Rudolph Hartman and enjoyed by the boys, and did we ladies enjoy sitting down and letting "George do it."

Delegates and alternates do not forget to register at the Hotel Arroyo del Vista, Pasadena, on Saturday or Sunday to avoid the crowding and confusion when the distant delegates get here at the last minute to register.

Auxiliary members are invited to attend the reception at the Arroyo del Vista Sunday night to meet dignitaries from both the Legion and Auxiliary.

The convention starts Monday at 9, pages and ushers to be at John Muir Tech at 8 a.m. The mammoth parade will pass down Colorado street sometime Monday afternoon. That night will be the gigantic band, drill and aeroplane display at the Rose Bowl, with many other colorful features.

Tuesday is work day, with a lot of fun after work hours. We heard there was 200 pounds of soap chips ordered to make the plaza in front of the Pasadena City Hall smooth for a street dance. After the dance is the Whoopie Party for the delegates in the Civic Auditorium.

Wednesday is the day that delegates and alternates go rav-

ing, tearing mad, trying to keep up with the resolutions, elections, as time grows near for the adjournment. But hard work has its compensation in the grand banquet and ball that night.

Meat, Potatoes and Gravy

MANY a meal is built around these three standbys ---meat, potatoes and gravy. Invariably they are the first dishes that come to your mind as you plan your dinner.

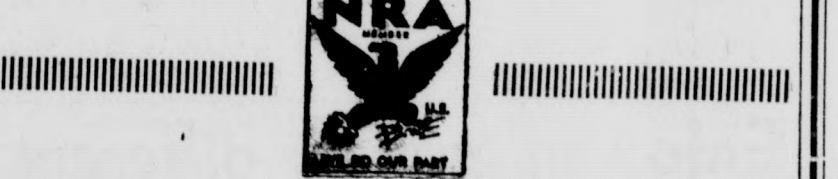

But in spite of their hunger-satisfying and nourishing qualities, this time-honored triumvirate can become monotonous unless it is supplemented by other dishes.

However, it is often a problem to find these "side dishes" in your own head. Of course you can quiz your neighbor, or ask the members of your family what they would like. But even this source of information is often lacking in ideas.

The thing to do is read the advertisements in your newspaper. Your local markets display their foodstuffs on these printed pages. You'll read of new vegetables and fruits that have "just arrived." Your appetite will be aroused by the tasty creations of National food manufacturers. With pencil and paper you can make your market list and menus before you step out of the house.

Speaking of monotony, consider this. There are 11 different cuts of beef, 9 cuts of veal, 7 of lamb, 10 of pork; there are at least 20 different breakfast cereals sold in every shop, 16 different canned vegetables, 6 canned fruits, a dozen or more canned meats and fish, numberless varieties of cakes and crackers. Why should there be monotony in meals with such a variety of foods available at your store and so many of them advertised in your paper?

The Sierra Madre News

Everybody Willing

Sierra Madre Citizens seem to be unanimous in wishing to help wherever possible in the task of creating more work and better pay. We must have Faith in ultimate results and by Co-operation we will get them.

Let's GO!

IN YOUR GARDEN

By Jessie Ward Russell
Landscape Gardener

DO NOT leave the soil heaped up around newly planted trees and shrubs; leave a depression or basin around the plant so that the water may accumulate there to irrigate the plant. Trees set out on lawns should not have the grass growing tight up against the tree. A space about the tree should be left open to hold water when irrigated. The top soil should be cultivated occasionally to keep the soil in good condition.

This is a good time to use the pruning shears to thicken and shape up your shrubbery. Eugenia will especially welcome a haircut now. Every time you give it a pruning it will grow twice as thick as it was before for there will be two twigs where one was cut. All rapid growing shrubs should have a pruning all over to thicken them up. On the other hand, slow growing shrubs like Camellias and Daphnes will need no pruning at all.

Petunias can be cut back now to within a few inches of the crown and they will put out a new growth that will bloom all through the fall and winter. It is not too late to plant new plants of Petunias for fall bloom.

Chrysanthemums should be well watered now and staked up. They would appreciate some fertilizer, too.

WHEN A GARDEN BECOMES REALLY PART OF A HOME

Often in pictures of successful interiors, we notice many details which seem to make one feel that here is a room in which the owner really lives and enjoys himself. Is it not true that a room in which you delight to spend the hours at home—a room which gives your friends a great deal of pleasure when they come into it—can be considered a success from the standpoint of good decorating and satisfactory living?

Likewise it is the ability to live in and make use of the grounds

that makes them part of the home. Where there is nothing outside the house to enjoy, there is no comfort in going outside. Lawns without shade, flowers and borders, are like bare rooms with hard benches and no other furnishings. The developing of the landscape can be thought of as a part of the home furnishing. The grounds become livable and comfortable as they are planted with trees which give us comfortable shade, with shrubs which screen out undesirable views, or form a background to the flowers which give us beauty. The most livable grounds are those thoughtfully planted.

PICNICS OF FIVE STATES ANNOUNCED

President W. W. Campbell of the Colorado State Society has announced the annual summer picnic for all former residents of that State will be held all day, Sunday, August 13, at Sycamore Grove Park, Los Angeles.

Alabama, Mississippi, Louisiana and Florida, will hold their annual summer reunion all day Saturday, August 19, in Sycamore Grove Park. Each state will have its own section and will open a register for each county. The program will include music and brief addresses by Presidents, Yielding, Dickson, Funk and Bryan.

SOCIAL AFFAIR FOLLOWS INITIATION BY THE O.E.S.

John Howard Noble was initiated into the Order of the Eastern Star on Monday evening at ceremonies at the Masonic Temple, East Central avenue. The Temple was attractively decorated with flowers for the affair. A social time followed at which 60 were present. A number of out-of-town persons visited for the evening. Mrs. Alice Hogan was in charge of floral decorations.

Let changes come. Without changes there is no progress.

Growers Told How To Control Pests In Citrus Groves

The following are the joint recommendations for the control of scale on citrus trees in the section of Los Angeles County in which Sierra Madre is located, made by the Agricultural Commissioner's Office, Bureau of Pest Control of the California Fruit Growers Exchange, Service Department of the Mutual Orange Distributors, Citrus Experiment Station, and the Farm Advisor's Office.

Oranges—Early fumigation is preferred using 18cc. For red scale use 20cc fumigation as soon as the trees and fruit will stand it. Where fumigation has not been satisfactory, use light medium oil emulsion one and two-thirds per cent to two per cent, or tank mix one and one-half to one and two-thirds. If lime sulphur and oil is preferred, do not use until danger of high temperature is past.

Lemons—For red scale on lemons, fumigate with 20cc dosage. For heavy infestations spray-fumigation should be used with 2 per cent medium oil emulsion, or tank mix one and two-thirds per cent. Follow in a week to ten days with fumigation 20cc dosage.

People Become Tax Conscious

by RALPH H. TAYLOR
Sec. Agricultural Legislative Committee of California

WITH legislative sessions, both State and National, at an end, temporarily, after the most important gatherings in many years, perhaps the most significant result of the whole political upheaval is to be found in the sudden quickening of popular interest in popular government.

Fundamentally, the fact that the average citizen is beginning to become politically-conscious is of far greater importance than the National recovery program, for the entire program is largely dependent upon public cooperation and public vigilance.

And the fact that California taxpayers have become tax-conscious is of more significance than the relief they achieved.

Most reassuring is the questioning attitude of many thousands of voters who, in times past, knew little or nothing about government—and cared less! One of the questions emanating from this group is the challenging query "Can popular government survive?" Yet the very seriousness of the question is a hopeful sign. Democracy was probably in far greater danger of going on the rocks when no one thought to question it.

The terrific cost of public indifference to public problems has been emphasized and re-emphasized throughout the depression. Farmers, business men, industrialists and professional men have all come to realize, finally, that they have almost as much

"Scorchers" in State Fair Races

Dorothy Eagan looks down from her old "high bike" to wish success to Robert Metheny, speed burner chosen by the Sacramento Orphanage to compete in the California State Fair Championship bicycle races at Sacramento, September 3-5.

at stake in government as they have in their individual enterprises. And out of that realization has come the start of a new and vital interest in things political which may, if it continues, change the whole governmental picture.

There is frequent complaint that wealth and corporate interests "own" and control most public officials. Sometimes, unfortunately, the complaint is true, but public indifference has made it true, as this observer sees the picture.

One of the reasons for this condition, for instance, is that spectacular and costly campaigns have been necessary to arouse public interest in elections. No candidate for a major office can afford such campaigns. And corporations can—and often do—afford them! Hence corporation-controlled officials, made so largely because the voters were not sufficiently interested to vote without synthetic encouragement.

But the reassuring thing is that some of the voters, at least, have started to think and question. And the best promise of intelligence, in the body politic, as with the individual, is a frank admission of ignorance.

All in all, democracy is looking up, even though the concrete results might not indicate it.

Two To Represent Local Endeavorers At Camp Conclave

Because Jack Jensen, president of the Young People's Christian Endeavor society and also delegate-elect to the summer conference at Tahquitz Pines, had to go north, a new delegate was chosen at the society's Sunday evening meeting. Lawrence Limbaugh was selected. Ben Smith will attend the conclave also. These two representatives will leave tomorrow for the San Jacinto mountains.

Roy Edwards will lead the discussion on "Christian Vocations" at the Young People's meeting next Sunday evening. Come prepared to participate in this most interesting event.

Meeting at the home of their chairman, Mary Sheriff, the social department planned a party to be held August 22.

Marian Anderson will be the leader for the topic discussion at the Intermediate's meeting Sunday evening.

FATHER SAGE SAYS:

The best thing about a popular song is that it isn't popular very long.

FRANK TILDEN DIES AFTER LONG ILLNESS

Frank Tilden, for seven years a resident of Sierra Madre at 166 North Mountain Trail avenue, passed away at Keaster's Hospital in Lamanda Park last Friday following an illness of several months.

Born 65 years ago in Pomona, Mr. Tilden was a college graduate and in his earlier days practiced law. He left no survivors.

Be times good or bad, thrift is still a virtue.

HOLLYWOOD BOWL TICKETS GO ON SALE

For the convenience of those who wish to secure tickets for the Hollywood Bowl concerts, tickets have been placed on sale at Hartman's drug store and Norris' grocery, it was announced this week by Mrs. M. R. Englander, chairman and campaign manager of the Hollywood Bowl for this district. Mrs. Englander has purchased a number of books of tickets and those desiring them may buy one or more at almost half price. For information regarding bowl concerts telephone Mrs. Englander at 318-1.

With all its draw backs life is still a splendid adventure.

People Must Unite To Put NRA Over

(Continued from Page One) mere signature of the President on a slip of paper was cited by Harris as the absolute abolishment of child labor in the textile and allied industries. "By one quick and decisive legislative act," he said, "this country put over something which English common law and public opinion have failed to do in England in 85 years of strife..."

In order to insure the success of the unprecedented plans now under way, Harris stated that the buying public must be impressed with the necessity of patronizing the insignia of the NRA.

"In this community, for instance of work to be accomplished, each civic organization such as the Kiwanis here, the merchants' association, and the like, should form a central committee to help in the work of formulating codes, and seeing to it that the NRA is supported 100 per cent by the time the administration's expiration date for voluntary registration is reached."

In reply to questions put to him by his audience, Mr. Harris expressed his opinion that many of the smaller business houses located in towns the size of Sierra Madre, are not necessarily obligated to employ additional help out of proportion to their means, although such fact does not exclude them from flying the Blue Eagle banner. However he scored the practice of stores that shortened employees hours, raised wages, then defeated their own purpose by also cutting down on their business hours.

One local grocery merchant stated that due to a misunderstanding of the code he had entered into this practice, but as soon as he found his mistake he had conferred with associate grocers to rectify it. In the future it is expected that the grocers, as a specific example, will adopt a 63-hour week, employing men in such shifts as to bring the individual employee's hours under the prescribed maximum per week.

"As important as the employee's willingness to cooperate," Harris stated, "is that of the employer—who must give an honest day's work in an effort to compensate for the advantage he himself receives."

Within the coming week members of the Kiwanis will confer to put into effect Harris' suggestions for a local central committee, according to President John Woehler. Representatives of stores, trades and clubs, men and women alike, will be enlisted on this committee to work out all puzzling details of the plan to make the NRA 100 per cent effective here.

Many of the industries not yet codified may expect details on their particular cases in the near future, it was stated by Harris, and communities such as this one may speed results by formulating their own local codes to be eventually worked into National acts of the President.

RECORD AUDIENCES GREET "MAN OF WAX"

Playing to record audiences and hailed as a "hit," Lloyd Corrigan in "Man of Wax" began its second week at the Pasadena Community Playhouse on Monday, August 7. Lee Shubert, New York producer, who arrived for the opening night performance, is elated with the play's reception and will produce the play on Broadway this fall in association with Arthur Lubin.

"Growing Pains," a new comedy of adolescence will follow "Man of Wax" at the Playhouse.

Pratt Flings One Hit Game For Soldiers

Baldwin Park Veterans Baffled By His Smoke Ball As Locals Win 11-1

Pratt gave the other flingers of the Legion League a new record to shoot at when he let the Baldwin Park soldiers down with one hit and fanned 20 batters to give the local veterans an 11-1 victory on the school grounds Friday night.

Nothing that looked like a hit was credited to the visitors until the very last inning. For the most part they had marched up to the plate and cut great gashes in the soft ozone for which Sierra Madre is noted as Pratt's fast ball crashed into the waiting mitt of Art Evans. That hit resulted in Baldwin Park's only run. Westlake, shortstop, is credited with it. He batted out a two-bagger and by quick thinking stretched it into a three-base hit, scoring a minute later on a sacrifice fly.

The hometowners started off in the second inning to put the game on ice when by hard hitting they sent five runs across. Pratt, first man up, rapped out a two-base hit. Evans grounded out and Young was safe on an error by King. Pratt scoring. Pickett singled and Young took third. Reavis reached first when a play was made to catch Young off third. Olsen got on the same way. Reavis going to second. Welsh doubled and Hill singled to score four runs.

Evans increased the lead with a long home run in the third and three more were added in the fourth when Olsen and Hill were safe on errors and Harkness scored three runs ahead of him on his home run.

Sierra Madre ended its scoring in the sixth when Welch and Hill singled and Pratt scored both with a three bagger.

Olsen was the fielding star again, pulling down a seemingly certain home run when he made a long run and snagged a ball hit into deep center by Rhoades. The score:

FURNITURE TEAM BEATS BETHANY 13-0

Sierra Madre Furniture team indulged in horseplay Tuesday evening, to come near losing to the 4-12 players. But two Bethany pitchers, Hudson and Smith, walked 18 men and that was about enough for a 13-0 by their opponents. Mr. Lorenzini pitched for the Furnitureers, for the first time in his career, fore-

Thrilling Finish Gives All-Stars 6-5 Win Over Pomonans

A sensational tenth inning finish gave Sierra Madre All-Stars a 6-5 victory over the All-Stars from Pomona Monday evening in one of the most exciting games a local club has participated in this year.

The score had trailed along at 5-5 from the sixth inning and Pomona had been blanked in its half of the tenth. In Sierra Madre's half Levinson led off with a single and went to second on a passed ball. He took third when Harkness sent a long fly to left field. Marsh struck out. Levinson took a long lead off third and scored the winning run on a close play at the plate when Lorenzini bunted a slow one down the third base line.

Sierra Madre took the lead in the third inning, Pratt opening with a single to right. Wheeler reached first on an error and Harkness walked. Marsh struck out, but Lorenzini singled and Pratt scored. Parker smacked a home run into deep center. Pratt singled. Wheeler walked and Harkness singled, scoring Pratt. Lorenzini ended the inning by flying out.

Pomona scored all of its five runs in the sixth. With three men on Seward banged out a homer. Middleton singled and went to second on a passed ball. Decker singled and Middleton scored the fifth run.

Sierra Madre came back in its half of the inning to put over the tying run. Parker walked and Pratt reached first on an error. Parker going to second. Wheeler struck out and Pratt scored when Harkness was retired at first on his grounder. The score:

"MAMA LOVES PAPA" AT LYRIC THEATRE

Charlie Ruggles, as he appears in the hilarious comedy "Mama Loves Papa," which comes to the

Lyric Theatre, Monrovia, on Sunday for a run of two days.

Among the funsters who appear with Ruggles are Mary Boland, Walter Catlett, Lilyan Tashman, George Barbier and many others prominent in cinema circles.

Other short featurettes which appear on the same program are Bobby Jones in "How to Break 90," Harry Langdon comedy, Aesop's Fables, and Metrotone news.

CITY'S LURE CARRIED FAR TRAVELERS FIND

Mr. and Mrs. Russell Dumas, of 381 Ramona avenue, have returned to Sierra Madre, after a motor trip to Vancouver, B.C., where they were entertained by Miss May Bayly and Roy MacFarlane, president of the Eburn Saw Mills, Ltd. Miss Bayly is a frequent visitor to Sierra Madre during the winter months. Mr. Dumas and party landed 28 good sized salmon in one day. The travelers found that many prominent people of Vancouver had visited here and spoke very highly of their impressions.

BIG ANNUAL EVENT AT ASCOT SPEEDWAY

One of the most important races of the 1933 auto racing season at the Legion Ascot Speedway is scheduled Wednesday night, August 16, at the Legion Ascot Speedway. It is the third annual Gold Cup classic. Other events will include the two-lap Italian Helmet Dash, three-lap Class B trophy, fifteen-lap Class B main event, two five-lap heat races, a three-lap wheel changing race and a five-lap consolation.

Local Legion Post Out After A Float Prize In Big Parade

(Continued from Page One)

tives to ride on the float have not as yet been chosen it is definitely known that Benjamin Stinman will be the figure on the high platform, in front of the sun; Mrs. Leila Roberts will appear as the Red Cross nurse; the Auxiliary will be personified by Bertha Irvine, and Clarence Welch will be the Marine.

It was first planned to have four separate entries in the parade, then it was decided to concentrate all the city's efforts on turning out one superlative float, such as the present one promises to be.

In order that the float will be a success, Commander Roy Shetler of Post 297 asks that everyone able to do so, will donate flowering eucalyptus blossoms and any possible type of hardy red, blue, or yellow flower. By phoning Roy Pickett, at Pickett's Service Station, phone 348-4, those having flowers available may secure the services of Legion men to pick them.

Those building the float are also in need of chicken wire and burlap. Flowers won't be gathered until tomorrow and Sunday, so that they may be as fresh as possible on the day of the parade. Many blossoms will be needed as the float structure will tower a height of about 15 feet in the air.

Many other treats are in store for the visitor to the State Legion convention through August 14, 15 and 16, but it is expected that none will exceed the "Big Parade."

—LEGAL NOTICE—

ORDINANCE NO. 356

AN ORDINANCE PRESCRIBING THE REGULATIONS UNDER WHICH PERMITS SHALL BE ISSUED FOR THE MAKING OF EXCAVATIONS AND FILLS, AND THE PERFORMANCE OF OTHER WORK ON PUBLIC ROADS AND HIGHWAYS WITHIN THE CITY OF SIERRA MADRE.

The City Council of the City of Sierra Madre do ordain as follows:

SECTION 1: It shall be unlawful for any person, firm or public or private corporation to make or cause to be made any excavation in, upon or under the surface of any public highway in the City of Sierra Madre, or to dig in, plow up, tear up, fill, cover, disturb or change any portion of the same, or to cause or permit to be constructed, put upon, maintained, or left thereon any obstruction or impediment to travel, or pile or place thereon any material, without first obtaining a written permit therefor, which said permit shall be issued by the Street Superintendent upon the performance, by the applicant for the same, of the following requirements and conditions precedent thereto:

First: The applicant for such permit shall make, sign and file in the office of the Street Superintendent an application, to be approved by the Street Superintendent, which shall set forth the name, address and principal place of business of the person, firm or public or private corporation making the application, and shall state in detail the location and dimensions of each excavation intended to be made and the proposed purpose thereof, or the exact location where it is desired to place obstructions in a highway or pile material therein, the extent to which it is desired to do this, the kind and nature of obstruction or material to be thus placed, the amount of room required therefor and the time during which the obstruction or material will be there.

SECOND: An applicant for a permit to excavate in a City highway shall file in the office of the Street Superintendent a plat in duplicate, designating said highway and the location thereof, together with a designation of the location thereon of the proposed excavation, the dimensions thereof, and any other details which may be requested by the Street Superintendent; provided, however, that the filing of plats shall not be required when excavations are made for service connections or for the location of troubles in conduits or pipes, or making repairs thereto.

Third: That the applicant shall show to the satisfaction of the Street Superintendent a right to use and occupy, for the purpose mentioned in the application, the highway or road wherein the excavation is proposed to be made,

LOVELY HOME or INCOME in Long Beach

for Sierra Madre or Vicinity

Phone 004

and the Street Superintendent may make such changes in said application as to the location, size and depth of such excavations as he may deem necessary for the protection of the highways or roads wherein such excavations are to be made, as are in his judgment necessary for the proposed purposes thereof, and may make such changes as to the location, size or character of obstructions to be placed in the highway as are in his judgment necessary to prevent undue interference with traffic on the highway or endanger the safety of persons using the same.

Fourth: That the applicant shall agree in advance to replace, repave and restore the highway at the place of the excavation to its condition prior to the making of the excavation or that the highway may be replaced, repaved or restored by the Street Superintendent or under his direction at the expense of the applicant, and said applicant shall then and there deposit with the Street Superintendent, and receive a receipt therefor, a permit fee of 50c for each Permit issued, and a sum of money which shall be sufficient, in the judgment of the Street Superintendent, to replace, repave or restore said road, based upon the actual cost thereof per square foot, and that the applicant shall agree in advance to remove any obstruction or impediment or material which such applicant may place upon the highway under a permit granted, or that the same may be removed by the Street Superintendent or under his direction at the expense of said applicant and said applicant shall then and there deposit with the Street Superintendent, and receive a receipt therefor, a sum of money which shall be sufficient in the judgment of the Street Superintendent to remove any obstruction which the person obtaining the permit is permitted to place upon the highway.

SECTION 2: Upon compliance by the applicant with the foregoing conditions and requirements, the application and plat aforesaid shall be approved by the Street Superintendent and shall become a file of public record in the office of the City Clerk and thereupon the Street Superintendent shall issue, in such form as he shall approve, a written permit to said applicant to do and perform the acts mentioned in said application. In any permit granted under this ordinance the Street Superintendent may specify what lights, barriers, warning signs or other measures designed to protect the traveling public must be erected, maintained or provided by the person, firm or corporation to whom a permit is issued; provided, however, any omission on the part of the Street Superintendent to specify in a permit what lights, barriers, or warning signs shall be erected and maintained by the permittee shall not excuse the applicant from observing any and all requirements of this ordinance. No permit issued under this ordinance shall be transferable and every permit shall become and be void unless the excavation or other work thereby permitted to be done is commenced and thereafter diligently and continuously prosecuted within sixty days from the date of issuance thereof, and if the same is not so commenced and diligently prosecuted in the judgment of the Street Superintendent, he shall have power to cancel such permit.

SECTION 3: It shall be unlawful for any person, firm or public or private corporation to make or cause or permit to be made any excavation, or to construct, put upon, maintain or leave any obstruction or impediment to travel, or pile or place any material in or upon any public highway or road in the City of Sierra Madre or to install or maintain or cause or permit to be installed or maintained any tank, pipe, conduit, duct or tunnel, in, upon, or under the surface of any public highway in the City of Sierra Madre at any location other than that described in the application and shown by the plats filed by the applicant, as required by the provisions of this ordinance.

SECTION 4: Every person, firm or public or private corporation making any excavation or erecting or leaving any obstruction in the traveled part of any public highway, or causing the same to be made, erected or left, shall place and maintain lights at each end of such excavation or obstruction and at distances of not more than one hundred feet along such excavation or obstruction from sunset of each day to sunrise of the next day, until such excavation is entirely refilled or such obstruction is removed and every said person shall place and maintain barriers not less than three feet high and bearing on the front thereof in letters not less than six inches high the word, "excavation" or "obstruction," at each end of any said excavation or obstruction at all times until such excavation is entirely refilled or such obstruction is removed.

SECTION 5: After any excavation, obstruction or impediment is commenced, made or erected by the permit holder, as herein provided, the work of accomplishing the purpose thereof shall be diligently carried on and completed by him in a manner that shall not obstruct the highway or road or any travel thereon more than is absolutely necessary.

SECTION 6: Upon the completion of the work under said permit the applicant shall promptly and in a workmanlike manner refill the excavation or remove the obstruction in said highway or road, and it shall be unlawful for any person, firm or public or private corporation to fail, refuse or neglect to comply with this requirement. The refilling of all such excavations shall be made in the following manner, to-wit: The dirt shall be replaced, and carefully tamped in layers not exceeding one foot in thickness, and each layer shall be well flooded with water before the next layer is put on and the top layer shall be well flooded with water and tamped, although the same may be less than one foot in thickness. The surface of the highway shall be replaced, restored or repaved to its original condition and shall be made smooth, even and flush with the surrounding surface of the highway, without bumps or depressions, by the permit holder under the direction of the Street Superintendent. If any person, firm or corporation making any excavation in or placing any obstruction on any highway shall fail to refill such excavations or remove such obstruction or shall fail to restore the highway to its former condition as herein directed, and in a manner and within a period of time satisfactory to the Street Superintendent, said Street Superintendent may do or complete said work of refilling, removal or restoration and the person, firm or corporation by whom or under whose direction said excavation was made or obstruction was placed shall be liable to the City of Sierra Madre for the cost of the work so done by the Street Superintendent, and the Street Superintendent shall deduct the cost of such work done by him from the deposit made by the person, firm or corporation obtaining the permit and any part of said deposit remaining after defraying such expense shall be returned to the permit holder.

SECTION 7: The provisions of this Ordinance shall not apply to the Street Superintendent of the City of Sierra Madre in the discharge of his official duties.

SECTION 8: Nothing in this Ordinance contained shall be construed to prevent any person, firm or public or private corporation from maintaining any pipe or conduit in any public highway, by virtue of any law, ordinance or permit, or from making such excavation as may be necessary for the preservation of life or property when such necessity arises during such hours as the offices of the City are closed; provided that the person, firm or public or private corporation making such excavation shall obtain a permit therefore within one day after the offices of the Street Superintendent are first opened subsequent to the making of such excavation.

SECTION 9: Every permit for an excavation in or under the surface of any public highway shall be granted subject to the right to the City of Sierra Madre, or of any other person, firm or corporation entitled thereto, to use that part of such public highway for any purpose for which such public highway may lawfully be used.

SECTION 10: Any person, firm or public or private corporation violating any of the provisions of this ordinance shall be guilty of a misdemeanor, and every such person, firm or corporation shall be deemed guilty of a separate offense for every day during any portion of which he or it shall have violated any provision of this ordinance, and upon conviction shall be punishable by a fine of not less than \$10.00, nor more than \$100.00, or by imprisonment in the City Jail for a period of not more than sixty days, or by both such fine and imprisonment.

SECTION 11: That Ordinance No. 37 of the City of Sierra Madre and all provisions of any ordinance of the City of Sierra Madre in conflict with the provisions of this ordinance shall be and the same are hereby repealed.

SECTION 12: That, the City Clerk shall certify to the adoption of this Ordinance and cause the same to be published once in The Sierra Madre News, a weekly newspaper of general circulation, published and circulated in the City of Sierra Madre, and thereupon and thereafter the same shall be in full force and effect.

H. C. REAVIS
Mayor of the City of
Sierra Madre, Calif.

ATTEST:
WAVERLY E. PRATT
City Clerk of the City of
Sierra Madre.

STATE OF CALIFORNIA
County of Los Angeles ss:
I, Waverly E. Pratt, City Clerk
of the City of Sierra Madre, do
hereby certify that the foregoing

MIDSUMMER PARTY AT ST. RITA'S A SUCCESS

A good attendance made the midsummer card party at St. Rita's auditorium Tuesday evening very successful. Winners of the highest scores at bridge were Miss Marion Solury, first; Miss Mable Appleby, second, and Mrs. R. W. Krug, third. Mrs. W. E. Craig won first prize at 500; Frank Bryan, second, and J. A. Irwin, third. Frank Bryan carried home the door prize.

ELECTRIC COMPANY IN A NEW LOCATION

The Sierra Madre Electric company will move next Tuesday from 26 West Central avenue to 11 Kersting court, next door to The News office. This is the second time that Mr. and Mrs. J. C. Rogers, proprietors, have located on Kersting court. There will be no change in their telephone number and customers will receive the same service by calling 69.

Ordinance was duly passed by the City Council of the City of Sierra Madre, State of California, and approved by the Mayor at a regular meeting thereof held on the ninth day of August, 1933 and that the same was passed by the following vote, to-wit:

AYES: Councilmen Lawless, Layton, Preston and Reavis.

NOES: None.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of the City of Sierra Madre, California, this ninth day of August, 1933.

WAVERLY E. PRATT,
City Clerk of the City
of Sierra Madre.

NOTICE OF TRUSTEE'S SALE No. TS-563

On TUESDAY, the 22nd day of AUGUST, 1933, at 11:00 A.M., SECURITY-FIRST NATIONAL BANK OF LOS ANGELES, as Trustee under and pursuant to Deed of or Transfer in Trust executed by ERNST POTH and ELIZABETH POTH, his wife, dated June 10, 1930 recorded June 25, 1930, in Book 10055, Page 199 of Official Records in the office of the Recorder of Los Angeles County, California, and securing, among other obligations, note for \$1,000.00 dated June 10, 1930 in favor of ANNA FRIES and MARGARET FRIES, her sister, as joint tenants, will sell at public auction to highest bidder for cash (PAYABLE IN UNITED STATES GOLD COIN AT TIME OF SALE), OR IN OTHER LEGAL TENDER, at the Eastern entrance to the Hall of Justice facing toward Spring Street, Los Angeles, California, all right, title, and interest conveyed to and now held by it under said Deed or Transfer in the property situated in the City of Sierra Madre in said County and State, described as

Lots Ninety-four (94) and Ninety-five (95) of Tract 2456, Sheet 1, in the City of Sierra Madre, as per map recorded in Book 24, Pages 36 and 37 of Maps, in the office of the County Recorder of said County.

Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the entire principal sum of said note, to-wit, \$1,000.00, with interest from June 10, 1932, at the rate of eight per cent per annum, compounded quarterly; advances, if any, under the terms of said Deed or Transfer; fees, charges and expenses of the Trustee and of trusts created by said Deed or Transfer.

The beneficiary under said Deed or Transfer, by reason of a breach or default in the obligations secured thereby, heretofore executed and delivered to undersigned a written Declaration of Default and Demand for Sale and written notice of breach and of election to cause the undersigned to sell said property to satisfy said obligations, and thereafter, on April 26, 1933, the undersigned caused said notice of breach and of election to be recorded in Book 12192, Page 16, of Official Records in said recorder's office.

Dated July 27, 1933.
SECURITY-FIRST NATIONAL BANK OF LOS ANGELES,
as said Trustee,

By J. Veenhuizen,
Vice President
By W. W. French,
Assistant Secretary.

WORK OF ARTISTS TO HANG IN BOOK SHOP

In a cooperative gesture whereby Sierra Madre artists will have still greater opportunity for exhibiting and selling their wares, William Pyle, proprietor of the new Book Box on West Central avenue, announced this week that the walls of his library will be given over to woodprints, etchings and water colors appropriate to the limited space.

At present five water colors of Kathryn Tuttle are on view, and soon prints and etchings produced by Harry Ivins Hawxhurst, Alfred James Dewey, and other artists prominent in the lustily growing Municipal Art League will be displayed. Visitors are welcome at all times in the Book Box.

COPENHAVERS FOUND IT FREEZING IN CAMP

R. C. Copenhaver treated his fellow Kiwanians to their annual stories concerning "the fish that got away" this week, having returned from a two weeks stay at Woods Lake in the High Sierra wilds on Friday night.

Mr. and Mrs. Copenhaver and Miss Kathryn Davis camped at an elevation of 11,000 feet, and found the temperature to be anything but hot. They had to break through a crust of ice on their water pail every morning, and found a roaring campfire a vital necessity every evening. The trout were biting fine.

REVIVAL SERVICES NOW AT NEW NAZARENE CHURCH

Revival services are being held every evening except Saturday at 7:30 o'clock at the Nazarene Church, upstairs in the Woman's Clubhouse, and will continue for the coming week. Mrs. Irene Jacobs, of Altadena, song evangelist, and a group of young people will be present. Rev. John D. Cart is in charge.
